

INTRO

Love New York is part of an emerging national movement to re-evangelize America. We are a group of evangelists from different cities who God has ignited to mobilize the church to first love intimacy with Jesus and the harvest.

We live in the marriage of the Great Commandments (love God and love people) and the Great Commission (preach the gospel and make disciples). We believe that in order to reach our city with the gospel we are going to need help from other cities.

Darkness and persecution are increasing we believe God is also pouring out His Spirit upon those who are willing to go. We believe God wants to prepare His church for her most glorious hour. This will require sacrifice, humility and unity at unprecedented levels but we sense a great hunger for more than church-as-usual coming from the hearts of God's people.

That is why we are reaching out to you. In the last year we have partnered with houses of prayer and local churches in Kansas City, Minneapolis and Los Angeles mobilizing dozens of ministries in each city to reach thousands of people and in the process the church is experiencing transformation. The Word of God isn't just a book to be read but an adventure to be lived out experientially.

Jesus wants to take over New York City one heart at a time and He wants to partner with us to do it.

We believe God is asking us to **join Him for a divine experiment** this Fall. What would happen if for an entire week we completely abandoned ourselves to heaven? No busyness. No entertainment. No excuses. Just the Kingdom of God. 24/7 worship and prayer (just like in heaven) combined with 24/7 mission (sending out teams just like in the book of acts filled with the power and purposes of God). What might happen?

We think that the destiny of a city and even a nation could change. We are burning with a holy desire for another great awakening born in the place of worship and prayer and overflowing into the harvest fields.

WHY 24/7 WORSHIP?

Jesus is worthy. That's a great reason. It's also a biblical pattern. David hired 4,000 singers and musicians to minister to God night and day before the Ark of the Covenant. Throughout Israel's history during times of revival this Davidic style of worship was reinstated. Jesus taught us to pray that God's will would be done on earth as it is in heaven. What is going on in heaven? Continuous worship and adoration. We believe that establishing altars of 24/7 worship and prayer change the spiritual atmosphere of cities and prepare hearts to receive the gospel message.

WHY 24/7 EVANGELISM?

Jesus is worthy. How about that for a reason? If there is a day of judgment coming and time is running out and many still don't know the Lord isn't 24/7 outreach a reasonable response in light of eternity? We think so and we think God thinks so. We were in New York in January and our team noticed lots of things are going on 24/7 in the city. 24/7 news. 24/7 restaurants. 24/7 entertainment. We even found a 24/7 gym. What finally sealed it for us was the 24/7 tire repair service. The world has already caught the revelation that in the last days things are going to increase in intensity. **Why wouldn't we who have the knowledge of the only hope of the nations not testify about Jesus night and day until He returns?**

OUT OF TOWN WORKERS

If you are from another city, awesome! We believe God is calling people from all over the United States to be part of this outreach. The first thing you need to do is sign up and let us know you are coming. Out of town workers will be staying at the New York School of Urban Ministry (NYSUM) which is located at 31-10 47th Street, Long Island City, NY. Check out www.nysum.org. Do not make a reservation directly at NYSUM as this is a group reservation and rate. We have a special rate of \$25/night for Love New York participants.

The estimated budget for out of town workers is \$1500 per person.

\$500 outreach expenses and lodging. This covers your lodging in New York from October 30th through November 8th. If you need to come into New York early or stay late please contact us to make special arrangements. This needs to be paid at the Love New York web site by October 1st.

\$500 flight. Flight costs vary and need to be booked by each individual participant. This is a good estimate from most departure cities across the US if you book your ticket at least four weeks in advance.

\$400 food. We are estimating \$50 per day for meals for eight (8) days. Meals are on your own in New York City.

\$100 local transportation. You will need to cover the cost of transportation from and back to the airport you are arriving in. The closest airport is La Guardia and then JFK. In addition, you will be purchasing a week long subway pass (about \$30). All transportation to and from NYSUM to the firebase located at Justice House of Prayer in Manhattan as well as from the firebase to outreach locations will be by subway.
